Little Hawks Discovery Preschool 2020/21 Registration Information

Dear Future Little Hawks Families,

Thank you for your interest in our nature-based preschool! **Registration will open on our online system on Thursday, January 30 at 8:00 PM.** In the past, classes have filled quickly, so we recommend registering promptly.

To register, go to our registration page at <https://www.littlehawks.org/home-page/registration/> and click on the link for the session you would like to register for. Please note that the links will not be active until registration opens at 8:00 PM on Thursday, January 30. You may choose to login to our registration system if you already have a username and password set up, or you can continue as a guest on the first screen of the registration process.

Information about sessions that will be offered for 2020/21 is below. Please take time to look this over before the registration period opens. Teaching teams, session names and classroom locations will be determined at a later date.

A \$25 non-refundable processing fee is due online at the time of registration. If you are unable to register for your first choice, you can be placed on a waiting list for that session, and you may register for another session. You will not be charged a fee if you are placed on a waitlist.

If you are interested in applying for a scholarship or GSRP, fill out the [Help Me Grow application](#). Please note that a scholarship or GSRP application is not a registration for our program and does not guarantee a placement.

If you have questions, please contact Jayne Schutter, Chief Administrator, at jayne@outdoordiscovery.org or 616.393.0949.

[*Update*](#) This session was originally scheduled to accommodate 18 children and include a blend of tuition students and students participating in the state funded free preschool program, GSRP. Due to registrations during our current family window, this class has been changed to a tuition only class and the class size increased to 20 children. This class session will not participate in GSRP for the 2020/21 school year; however partial scholarship opportunities are still available to families who qualify.
